Right now, I am seeking the next challenge in what has already been a successful career and would be very happy to work for a company like yours that firstly has an existing highly trained workforce, and secondly where my abilities can be put to good use.

I would very much appreciate an opportunity to get to know more about this role and to discuss my application in more detail. In the meantime, I would like to thank you for your time and expectantly wait to hear a positive response from you.

Sincerely yours,

Gurleen Dhiman
